AVVERTENZE WARNINGS

Sfumature e variazioni di colore anche nel tempo, sono caratteristiche della particolare tessitura e tintura, fatte a mano, che rendono ogni capo unico ed originale. Per mantenere i colori vivaci, lavare separatamente con detersivo neutro, asciugare all'ombra, non candeggiare e non fare trattamenti a base di cloro. Durante i primi lavaggi si possono verificare perdite di colore.

Hues and variations of color are the features of particular handmade dyes and fabrics that make each garment unique and original. In order to keep bright these colors, wash separately with a neutral detergent, dry in shade, do not bleach neither make treatments with chlorine. During the first washings, it could happen a bit loss of color.
